10. Download a copy of one of the articles or handouts available on hathawhag and email it to me at: hathawas@aaps.k12.mi.us . This is a separate assignment from this scavenger hunt.
(continued on back →)

For the rest of this scavenger hunt you need to download a copy of the class rules and read it to answer questions.

11. First, email the class rules to your parent(s)/guardians and tell them you need them to read the class rules, print out the last page, sign it (add whatever other info you/they want me to know), and bring it to me. Doing so is a separate assignment from this scavenger hunt.

12. According to the class rules, what happens if a student is found to have been copying work from another student?

13. What happens if you give your work to someone else?

14. Fill in the missing word based on what the Class Rules say:

“Assignments are _____ unless you hear otherwise.”

How can you tell this assignment is a ‘group’ item? _____

15. What happens if your cell phone, etc. is out or makes sounds during class?

16. What do you need to do if you have an urgent, one-of-a-kind message to send or receive?

17. What time should you use to go to the bathroom, or get a drink, etc.? _____
(‘passing time’ is the time between classes)

18. What can you do, if you’re out sick to keep up on assignments?

19. Back on the first page of the class rules, near the bottom, what % do both 9 wks. together make for your overall grade? _____ How much for the final? _____ The Common Assessment? _____

If you had a 91% for the two 9 weeks together, and scored a 86% on the final, and 82% on the common assessment, what would your overall semester grade be? _____

(If you don’t know how to figure it out, don’t worry; I’ll give a demonstration in class.)

20. Towards the top of the second page of the class rules, what does being absent mean in terms of having to do work assigned while you were out?
