Map of WW2 Items

Use the many maps that are posted on the front and back whiteboards to find and label the following items on your maps of Europe and of the Pacific Region.

Items for the Pacific Region map of WW2:

- Japan, China (don't have to show borders just the general region that it covers), Korea, Philippines, Indonesia, Soviet Union (same as with China)
- Area that was occupied by Japan as of 1932
- the rest of ALL areas in the Japanese Empire as of 1942
- Nanking
- Pearl Harbor
- Midway

Items for the Europe map of WW2:

- Show roughly where Germany was at the beginning of WW2
- circle the area where Poland was/is located, to the east of Germany and label it as Poland
- Show how Germany and Russia divided Poland
- roughly circle the regions and number them to show the order in which Germany attacked Poland, Denmark and Norway, The Netherlands, Belgium, France,
- Stalingrad
- Normandy/where the D-Day landings happened
- Battle of the Bulge
