Online research re European Culture and History  
During Columbian Exchange, and Trans-Atlantic Slave Trade

1. Go to <https://www.preceden.com/timelines/39150-ap-european-history-timeline> and find/list the 9 large scale events that happened (in whole or in part) between 1400 to 1900.

---

---

---

2. a. From this site's (<https://www.worldatlas.com/webimage/countrys/eutimeln.htm>) listing of events between the 1400 and 1900, what are 2-3 that are about art—paintings/music/literature, etc.?

---

b. And what are 2-3 that are about important scientific ideas of break throughs?

---

c. What are 2-3 that relate to or *are* things we've studied so far?

---

3. a. Who were the Medicis? (use any website to look them up/answer the following)

---

b. Which famous artists are connected to the Medici? (list 4-5)

---

c. What did Amerigo Vespucci do that relates to exploration, and how was he connected to the Medicis?

---

For qn 4, this site gives some answers: <https://dcc.newberry.org/collections/shakespeare-tempest-utopias-european-renaissance>

4. a. When was William Shakespeare alive?

\_\_\_\_\_ to \_\_\_\_\_

b. What is the connection between Thomas More and the word 'utopia'?

---

c. Where was More's 'Utopia' located?

---

d. How does Shakespeare's play *The Tempest* relate to More's Utopia?

---

## Online research re Enslaved People's Accounts

You can focus on Olaudah Equiano—many websites will give info about him. OR you can listen to the podcast about a sick woman on the Middle Passage: <https://beta.prx.org/stories/105669> (hvy. content!) OR, look up other accounts of enslaved people's experiences coming from Africa to the New World.

Write down 3 quotes that related to things we've covered in class. Explain the connections.

QUOTE 1:

---

---

---

---

How it relates to things we've studied:

---

QUOTE 2:

---

---

---

---

How it relates to things we've studied:

---

QUOTE 3:

---

---

---

---

How it relates to things we've studied:

---
