

Towards a G.U.T. of Genocide and Nationalism (Notes)

name: _____

date: _____ hr: _____

An important preliminary thought:

More about the role of religions in earlier eras:

And that changed with _____

SO, you could say “ _____ was the new ‘religion’”.

BUT ALSO:

Out of which _____ emerged.

Pushing indigenous (native/original) societies of land to gain control of resources, or just to get land to live on, was one of the reasons for

IF (big if!) THIS IS TRUE THEN:

extreme/crazy Nazi-Hitler beliefs were not _____ for _____

and the _____; those were the results of longer-term, more general factors.

DOES THAT SEEM TO BE TRUE?

(continued on back)

Some examples

In the U.S.

in South Africa

in the Congo

How in Spain's and Portugal's colonies?

and how does history in general match up with this?
