GROUP / SOLO Due on: _____

1. How did Europeans view the bronze plaques from ancient Benin?
2. In which modern-day West African country was Benin located? \_\_\_\_\_
3. Describe the ditches and walls built by ancient Benin. How big, and for what purpose?
4. Summarize how the British interacted with the kingdom of Benin from when they first encountered them, and then after (and then even later).

*STAND-OUT STATEMENT:*  
In Benin, it seems history isn't written by the victors, it's written by the artists.

5. About the bronze casters,

what do you see	what do you think about/interpret based on that?

What words or terms were new or strange for you?

6. [16:00ish] How does the part of the video in the museum relate to this quote?
