For this worksheet, explore the readings and images on the [World War 1 Articles](#) link of the '17-'18 Sem. 2, Unit 4 page, on the class website. Match readings/images with these aspects of WW1. Some connections may be easy obvious, and some may reflect *your personal* way of seeing connections. In either case,

- a) Give the title of the reading/image,
- b) Say which aspect of the war it connects with
- d) *Explain* the connection.
- b) List an **item/aspect of note**—something you found interesting/noteworthy in the reading/image(s).

Here are some of the aspects of the war—feel free to write in others as you see fit.
