For this worksheet, explore the readings and images on the [Winter \(2015\) Unit 5 page](http://Winter(2015)Unit5pageoftheHathawhag.weebly.com) of the [Hathawhag.weebly.com](http://Hathawhag.weebly.com) website and match those readings/images with these aspects of WW1.

Some connections may be easy to make and clear to anyone, and some may reflect how *you* personally, see things as related and connected. In either case,

- Briefly **explain** the connection between the reading/image and aspect of the war
- List an **item/aspect** in you found interesting/noteworthy.

Here are some of the aspects of the war—feel free to write in others as you see fit.

- Alliances between countries
- Assassination of Arch-Duke Franz Ferdinand
- Background/Longer-Term Causes of the War
- Modern Warfare/New Weapons  
*(how it differed from that of earlier times)*
